

## **50402 Student Activities**

Funding will be allocated at each campus and center to provide a variety of student activities throughout the year. In addition, other College offices present programming of a cultural, social and educational nature. The College fully supports the formation and activities of a variety of student organizations based on affinity groups and academic areas. The activities and organizations will be open to interested students, faculty and staff.

(Amended 10/23/84; 12/17/96; 5/26/15)
